Volkswagen Passat The Volkswagen Passat is a large family car from German automaker Volkswagen and was introduced in 1973. Its derivatives have been badged variously as the Dasher, Quantum, Magotan, Carat, Corsar and Santana, through six generations. The first Passat was developed partly from the Audi 80/Fox and, until 2005, the two shared a ...

The good news is that if you are considering a 1999 Passat, most likely all the recalls and service adjustments have been done to the vehicle. Tie rod ends are known to have a short life and a campaign from VW was to replace known defective tie rod ends. Other issues like the coil packs have also probably been replaced by this time as well.

1999 Volkswagen Passat Repair? I have a 1999 VW Passat. The front left wheel well makes a loud humming sound when driven, however, the noise disappears when I turn the wheel to the left. Was told it may be an issue with the control arm. Do you have an estimate as to how much it would cost to have this replaced?
