against America. In any case, the threat is grossly exaggerated. As if this were not enough, the government also wages a harmful “war on drugs” that puts thousands in jail and discriminates against blacks. Matters are no better at the state and local levels. The police are supposed to protect us, but all-too-often,

Murray Rothbard called his political philosophy anarcho-capitalism to differentiate it from the far more common “communist anarchism.” Or, rather, it was more common then. Today, Murray’s vision of the free society without the oppressive, bloodthirsty, predatory State, and buttressed by private property, laissez-
