Compact size lets the KTP-445U fit where most amplifiers won't. The KTP-445U comes equipped with the RCA and Auto-Sensing-Speaker level connectors and it fits behind the head unit in the dash of most vehicles. It's small and compact at only 7-7/16" x 1-1/2" x 2-1/2". The size and flexible wires make the Power Pack an easy choice to save ...

CDE-163BT - Alpine Electronics US Support KB

Alpine hit a home run with this head unit for cars that didn't come with CarPlay or Android Auto from the factory. Installation was fairly straight forward, however, a word of caution regarding the "power plate" when doing the install you need to be careful as it seems like one could easily break the switch taking the plate on and off.
