Cold war dixie : militarization and modernization in the ...

Cold War Dixie begins to fill an important gap in the historiography of the South, and of the Cold War, generally. By examining the cultural impact of the Savannah River Project, Frederickson effectively illuminates how military and political history, too often segregated or ignored in modern academia, intersects and changes society - from whole cities and towns, to individuals having their lives forever changed.

Cold War Dixie - Georgia Press

Cold War Evolution and Interpretations - Militarization One of the most significant outcomes of World War II was the enormous momentum of militarization. Four years of global conflict—indeed, two world wars in a single generation—had left a powerful imprint.
