### **Collision Of Empires The War**

With the one hundredth anniversary of the beginning of the war in 2014, Collision of Empires is a timely exposé of the bitter fighting on this forgotten front--a clash that would ultimately change the face of Europe forever. Drawing on firsthand accounts and detailed archival research, this is a dramatic retelling of the tumultuous events of the first year of the war, with the battles of Tannenberg and the Masurian Lakes in East Prussia followed by the Russo-Austrian clashes in Galicia and ...

"Collision of Empires" is the first of four books which collectively cover the first world war on the eastern front. It is a clear, detailed and well written account of the first four months of the war. If I have a very slight criticism, it is that the maps are insufficiently detailed. Apart from that I was very impressed.
