Thanks for your comments! Working with parents is a wonderful way to demonstrate care. It also builds a positive relationship between the teacher and parents which is crucial to a child's academic success. They become "partners" rather than "adversaries". I also agree that a great teacher can make any subject interesting.

## **Four Ways Teachers Can Show They Care**

7. Take care of yourself. Children make many demands and we always need to be able to respond sensitively and consistently to them. If you are tired or stressed, you must take the time and find ways to recharge. Don't forget that the parent relationships with children are the core relationships that support a child's development.

## **Developing Secure and Trusting Relationships with Children ...**

For example, program policies that support continuity of care—the practice
