Some retailers of flat screen TVs charge a premium for HDMI cables - often in the \$100-\$200 range. This is because they can make little or no profit from selling flat screen TVs and so try to make a greater profit on the accessories. Shop around, short high speed HDMI cables can often be bought for only \$10-\$20.

How do I connect my Flat Screen TV - Geoff the Grey Geek

In fact, any new TV you buy today is most likely a flat-panel design. But with the advancements in technology, there can be many questions when wondering which flat-screen TV is best for you. First things first, consider the television size. Flat screens are available in a wide variety of sizes so you can find the perfect fit for your space.
