ALL drawing work including candidate information must be done in pencil. A radius curve stencil may be used to draw smaller arcs. Unspecified radii must be R3. A balanced layout is very important and candidates will be penalised for poor planning. ALL drawing work must conform to the latest SANS 10111 Code of Practice for Engineering Drawing.

Many current Web-based learning environments facilitate the theoretical teaching of a subject but this may not be sufficient for those disciplines that require a significant use of graphic mechanisms to resolve problems. This research study looks at the use of an environment that can help students learn engineering drawing with Web-based CAD tools, including a self-correction component.
