HP Pavilion dv7 Repair - iFixit

We did like the dv7 that came to our labs for a review - however, the cost was something that we highlighted, but that's the price the consumer has to pay for the latest and shiniest. Again, it really boils down to what you need to do with the notebook and remember, 17-inches aren't very portable, so if you're just looking for a blu-ray capable computer, there's always a desktop PC solution if ...
