Medicine, Money and Morals: Physicians' Conflicts of ...

Marc A. Rodwin draws on his own experience as a health lawyer--and his research in health ethics, law, and policy--to reveal how financial conflicts of interest can and do negatively affect the quality of patient care. He shows that the problem has become worse over the last century and provides many actual examples of how doctors' decisions are influenced by financial considerations.

Medicine, Money, and Morals - Marc A. Rodwin - Oxford ...

Payments made by hospitals to doctors to recruit and bond physicians. 6. Gifts given to doctors by medical suppliers. 1. Professor Rodwin provides several examples where physicians have been exposed for engaging in financially self-serving practices. Medicine, Money, and Morals, however, is a polemic and must be read with a strong caveat in mind.

Richard A. Epstein, Medicine, Money and Morals: Physicians ...

Medicine and money become further entangled when the role of the physician-entrepreneur is considered. Herein, the focus is on the business rather than on the practice of medicine [18, 19]. The literature is largely mum on the pervasiveness of this preoccupation among actively practicing physicians, although the fraud and abuse literature suggests that only a vanishingly small fraction is ...

Money and Medicine: Indivisible and Irreconcilable ...

Doctors engage in a myriad of professional relationships both with patients and colleagues involving moral and ethical judgment calls. Section 3.0 of the code outlines the ethical principles governing a doctor's interprofessional relationships, section 4.0 present opinions on hospital relations, and section 10.0 deals with patient-physician relationships.
